Dear Parent / Legal Guardian / Caregiver

May/June Holidays CCA Programme 2023

- 1 To provide students with a holistic school experience, our school will be organising co-curricular activities (CCA) during the May/June school holidays.
- 2 Through CCA, students discover their interests and talents, develop their character, learn values, social emotional competencies and skills to prepare them for future challenges.
- 3 Details of the CCA schedule could be found in *Annex A*.
- 4 Please feel free to contact your child/ward's CCA teachers or the following staff, should you need further clarifications,
